Wake up by Alanis Morissette.

Intro:

```
E      2 0 2 0 2      2 0 2 0 2 / 2 0 2 0 2      2 0 2 0 2
B 0---let ring 1---let ring/ 0---let ring 1---let ring
```

Verse:

the same as intro but the note you on the B-string changes:

```
0              1              2          1
You like snow but only if it`s warm
0              1              riff
You like rain but only if it`s dry
```

the riff is:

```
E      2      2              2 0 2
B 5 6      4 5              3
D              0
```

Listen close to the record because the timing is quite nasty.

```
      C              D              E
No sentimental value to the rose that fell on your floor
```

C **D** **E**
No fundamental excuse for the granted I`m taken for

C **G**
`Cause it`s easy not to

C **G**
so much easier not to

C **D** (Esus4) **E**
And what goes around never comes around to you

And after the next verse and chorus:

Cmaj7 **D** **E** (3 Times)
To you to you
