I layed down last night, too tired to wait
I had a chill this mornin , too tired to shake
I got a good poker hand, too tired to win
I could hear my baby knockin , too tired to let her in

I m tired, yeah, yeah, yeah, I m tired
Too tired, too tired for anything

Too tired to walk, too tired to run
I can hear my baby callin , too tired, too tired

Too tired, yes I m tired
I m tired, too tired for anything

I m tired of prosperity, tired of luck
Sittin on a pin, I m too tired to get up

I m tired, I declare, I declare, I m tired
Too tired, tired, too tired for anything
I m tired, baby!
Hey!
