Everyone Gets A Star
Albert Hammond, Jr.

Everyone Gets A Star

```
D                      Bm
Won t you go back to where you go?
D                      Bm
I want you to, forever know
D                        A
These guys have all got problems
D                        A
These guys have all got their problems

D          Bm
Tooooodaaaaaay,
D                    Bm
You ve come now go away
D           A
I know it gets so confusing
D                  A
Sometimes it all seems to drag me down
D              A
And when I m getting closer
D                  A
So close, everything just falls apart
```

D* Dsus2 A   G (x4)

```
D                        Bm
When will you stop and see me through
D                              Bm
There s something else I d rather do
D            A
Although you re getting angry
D          A
I know everyone gets a star

D          Bm
Tooooodaaaaaay,
D                    Bm
You ve come now go away
D           A
I know it gets so confusing
D                  A
Sometimes it all seems to drag me down
D              A
And when I m getting closer
D                    A
```

So close, everything just falls apart

D* Dsus2 A   G (x6)

End on D

D*   (x57xxx)
Dsus2 (x579xx)
