

Were Running Out
Albert Hammond

Intro

verse 1

Well, I m witnessing something I d never have dreamed of even a couple of years ago
F C F C
Families screaming and running about, ringing their hands in the sky, singing

Bridge

F C
No, no, no, not our generation
F C
No, no, no, not our generation
F C
No, no, no, not our generation
F C
Tell us it s a lie!

C F C
We re running out, running out
G C
You know we re running out
C F C
We re running out, running out
G C
You know we re running out

verse 2

F C F C
We are running out of hope, and we are running out of love
F C F C
And we re running out of everything that I ve been dreaming of
F C F C
And we are running out of oil, we are low on light and air
F C F G
And we re running out and digging holes and finding nothing there

C F C

It just ain t fair, running out
G C
You know we re running out
C F C
There s nothing there, running out
G C
You know we re running out

verse 3

F C F C
Now, the car won t go, and the pool won t heat
F C
And we re eating beans cause there ain t no meat
F C
And the lamps which once lit up our street no longer light the way
F C F C
So we go to bed when the sun sinks low
F C F C
Cause it s cold at night and the heat won t go
F C F C
And the television studio closed down the other day

C F C
Hey, hey, hey, hey, running out
G C
You know we re running out
C F C
Hey, hey, hey, hey, running out
G C
You know we re running out

Outro

F C
