ALBERTA CROSS

Bonfires

Lyrics by ear, so possibly not correct

F-X-3-3-2-1-0

To get the same feel in the chords I pull of
and hammer on with my middle finger in the second fret
And also on the C and Am chords, listen to the song
and try what works best for you.

Enjoy, and support the artist that you love!

D **G**
Whenever my mind
D **D**
