

Summertime
Alden Burke

Intro **G C Am C**

G
Sounds of construction
C
could only mean one thing
Am
that come tomorrow
C
we say goodbye to spring
G
listen to the birds
C
listen as they sing
Am
listen to their song
C
and their sweet melody

Chorus

G **Em**
Its summertime an you can hear it in the air
C **D**
take a look round you can see it everywhere
G **Em**
its around every corner and place that we visit
C **D**
so dont let I pass
G **D** **C** **D**
Its summertimeâ€|Its summertime
G **D** **C** **D**

G C Am C

G
Waves crash the rocks
C
on a hot summer day
Am
splashing the kids
C
over at big glace bay
G
Later in the evening
C

when the sun goes down

Am

the fires light up when the guitar sounds

C

G

Em

Its summertime an you can hear it in the air

C

D

take a look round you can see it everywhere

G

Em

its around every corner and place that we visit

C

D

so dont let I pass

G

D

C

D

Its summertime Its summertime

G

D

C

D

G C Am C

G

Later that morning

C

you hear the crash of the waves

Am

and back in the night

C

when the guitar played

G

memories o summer

C

and the sounds that it brings

Am

summer is gone now

C

and we wait for the spring

G

Em

Its summertime an you can hear it in the air

C

D

take a look round you can see it everywhere

G

Em

its around every corner and place that we visit

C

D

so dont let I pass

G

D

C

D

Its summertime Its summertime
