Am   **Am**

[Verse 1]
Am
Sorry that I did this, the blood is on my hands
   F
I stare at my reflection, I don t know who I am
C
Practice my confession. In case I take the stand
  E
I ll say I learned my lesson, I ll be a better man
     Am
I m packing up my things and I m wiping down the walls
    F
I m rinsing off my clothes and I m walking through the halls
  C
I did it all for her so I felt nothing at all
    E
I don t know what she ll say, so I ll ask her when she calls

[Chorus]
Am
 Would you love me more? (would you love me more?)
                   F
If I killed someone for you

Would you hold my hand? (would you hold my hand?)
              C
They re the same that I used
               E
When I killed someone for you
Am
 Would you turn me in? (would you turn me in?)
              F
When I say I m on the loose

Would you hide me when (would you hide me when?)
        C
My face is on the news?
             E
 Cuz I killed someone for you

[Verse 2]
   Am
I hear the sirens coming, I see the flashing lights
    F

```
I m driving through the suburbs, wearing my disguise
    C
I show up at her doorstep to look her in the eyes
      E
I tell her that it s me, but she doesn t recognize
 Am
Can t you see I m running? Said I need a place to hide
       F
I ve gotta ask you something, could you please let me inside?
   C
Just let me explain, no I wouldn t tell you lies
     E
I know you ll understand if you let me stay the night

[Chorus]
Am
  Would you love me more? (would you love me more?)
                          F
If I killed someone for you

Would you hold my hand? (would you hold my hand?)
                        C
They re the same that I used
                      E
When I killed someone for you
Am
  Would you turn me in? (would you turn me in?)
                        F
When I say I m on the loose

Would you hide me when (would you hide me when?)
                    C
My face is on the news?
                    E
 Cuz I killed someone for you

[Bridge]
     Am
You have to understand that the one I killed is me
F
Changing what I was for what you wanted me to be
   C
I followed your direction, did everything you asked
   E
I hope it makes you happy,  cuz there s just no turning back

[Chorus]
Am
  Would you love me more? (would you love me more?)
                        F
If I killed someone for you

Would you hold my hand? (would you hold my hand?)
```

```
                         C
They re the same that I used
                              E
When I killed someone for you
Am
  Would you turn me in? (would you turn me in?)
                                 F
When I say I m on the loose

Would you hide me when (would you hide me when?)
                      C
My face is on the news?
                              E
  Cuz I killed someone for you
```
