

**Mind Is A Prision**  
**Alec Benjamin**

[Intro] **F Dm Am C**

[Primeira Parte]

**F Dm**  
I don t live in California, I ll inform you, that s not where I reside  
**Am C**  
I m just a tenant, paying rent inside this body and I  
**F Dm**  
Got two windows and those windows, well I ll call them my eyes  
**Am C**  
I m just going where the wind blows, I don t get to decide

[Pré-Refrão]

**F Dm**  
Sometimes I think too much, yeah, I get so caught up  
**Am**  
I m always stuck in my head  
**F Dm**  
I wish I could escape, I tried to yesterday  
**Am**  
Took all the sheets off my bed

[Refrão]

**F Dm Am**  
Then I tied up my linen with five strips of ribbon I found  
**F**  
Scaled the side of the building  
**Dm Am**  
I ran to the hills till they found me  
**F**  
And they put me back in my cell  
**Dm Am**  
All by myself, alone with my thoughts again  
**F Dm Am**  
I guess my mind is a prison and I m never gonna get out

[Segunda Parte]

**F Dm**  
So they tranquilized me, analyzed me, threw me back in my cage  
**Am C**  
Then they tied me to an IV, told me I was insane  
**F Dm**  
I m a prisoner, a visitor inside of my brain

**Am**

**C**

And no matter what I do, they try to keep me in chains

**F** **Dm**  
Said even if it s true, no matter what I do

**Am**  
I m never gonna escape

**F** **Dm**  
I won t give up on hope, secure another rope

**Am**  
And try for another day
