Alejandro Fuentes - Stars

INTRO:

**F C Bb**

VERSE:

**F C Bb**

One stolen look cross the room

**F C Bb**

an illusive smile, but soon baby soon.

**F C Bb**

One minute for every hour

**F C Bb Bb**

but time hasn t been on our side on our side.

PRE-CHORUS:

**Dm C**

Still holding on

**Dm C**

been waiting so long

**Dm C Bb**

for that indelible time.

CHORUS:

**F Bb**

When the stars shines upon me

**F Bb**

and the night feels so lonely then

**Dm C Bb**

I only picture your face

**Dm C Bb**

and remember the days, nights and now

**F**

I spent them with you

(I spent them with you)

VERSE:

Two worlds under the sun

We melt into one, just come baby come.

All the signs says it s so

appointed upon by the hour of love

PRE-CHORUS

Still holding on

been waiting so long

for that indelable time.

CHORUS:

When the stars shines upon me  
and the night feels so lonely then  
I only picture your face  
and remember the days, nights and now  
I spent them with you

**Dm** **Bb**  
My coffee is cold cause I ve waited so long.  
**Dm** **Bb**  
The thoughts of your smile always makes me feel strong.  
**Dm** **Bb**  
I m drawing a picture of you in my mind  
**Bb** **C** **F**  
and the thought of your smile always making me miss you so much.  
**Dm C F**

CHORUS:

When the stars shines upon me  
and the night feels so lonely then  
I only picture your face  
and remember the days, nights and now  
I spent them with you  
I spent them with you  
(I spent them with you)  
I spent them with you  
(I spent them with you)
