Alela Diane - The Ocean

Em
She was always walking singing to her footsteps

Am **Em**
Dirt ditch paths and pine cones

Am **Em**
Digging up glass bottles

Em
Rusty springs from feather beds

Em
Old hubcaps on the picket fence

Am **Em**
She planted beds of flowers

Am **Em**
Stayed outside for hours

Chorus :

C **Em** **Am**
In spirit she s drifted to the ocean

C **Em** **Am**
All those years of waiting for the water

C **Em** **Am**
She s watching long shadows caught in the tide

C **Em** **Am**
But the sunset by the sea is in her mind

C **Em** **Am**
The sunset by the sea is in her mind

And she was always hoping to someday leave the mountain

Domestic chores and children

The darkness of the winter

Painting all these mermaids
