

And I

I been here, been there

Traveling

I saw you at the corner

My vibe kicked in

D#m

And

Two fields

I clock you

Wearing tight jeans

A real nice suit

He was smiling like you

Was just seventeen

I asked him for a dance

He said yes please

D#m

Take a sip of dancing juice

Everybody s onto you

Through the left and to the right

Everybody hit the rhythm

It s on tonight

I m gonna feel the heat within my soul

I need a man to take control

Let the melody blow you all away

CHORUS x2

D#

Work it out now

Work it, Work it out now

Do the mumbo

Shake it all around now

D#m

Everybody on the floor

Let me see you clap your hands

I wanna see you work

I wanna see you move your body in turn

I wanna see you shake your hips and learn

I wanna see you work it, work it, work it out now

I wanna see you work

I wanna see you move your body in turn

I wanna see you shake your hips and learn

I wanna see you work it, work it, work it out now

CHORUS x2

D#m

And if the man can t dance, he gets no second chance x5
