

A Little More
Alessia Cara

The studio version does plucking, but this live version does strumming.
Capo 4

[Intro]

G Em G C

[Verse 1]

G **Em**
There you are with your college friends
G **C**
You played in their marching band
G **Em**
I can't help but wish I knew you then
G **C**
But I guess I know you now
Em **D**
It looks as if I've stumbled right into the palm of your hand

[Chorus]

Hey you
G **Em**
Hey Mister knock on my door
G **C**
I'm sorry that I've been emotions galore
G **Em**
Am I crazy for wanting a little bit more?
G
A little more of you
C **G**
A little more, a little more of you
Em
This feeling's hard to ignore
G **C**
Please say you'll never get bored
G **Em**
Can you blame me for wanting a little bit more?
G
A little more of you
C
A little more, a little more of you
