Intro
C F Am F

C*                    F*
All of my life I thought I was right
Am*                      F*
Looking for something new
C                        F
Stuck in my ways?like?old-fashioned days
    Am                      F
But all?the roads led me to you

    Dm                           F
The?house that you live in don t make it a home
C                                    G
But?feeling?lonely?don t mean you re?alone
Dm                           F
People in life,?they will come and they ll leave
      C                      Am          G
But if I had a choice I know where I would be

          F                           C
Through the lows and the highs, I will stay by your side
        G                             Am          G
There s no need for goodbyes, now I m seeing the light
        F                           C
When the sky turns to grey and there s nothing to say
      G           Am*
At the end of the day, I choose you

    C                   F
Now I found the strength to make a change
    Am                      F
And look at the magic I found
    C               F
No matter the name or where you came from
       Am                      F
 Cause no one has much figured out

    Dm                           F
The house that you live in don t make it a home
C                                    G
But feeling lonely don t mean you re alone
  Dm                         F

I finally found where I feel I belong
    C                               Am        G
And I know you ll be there with wide open arms

            F                         C
Through the lows and the highs, I will stay by your side
        G                           Am        G
There s no need for goodbyes, now I m seeing the light
        F                         C
When the sky turns to grey and there s nothing to say
      G             Am*
At the end of the day, I choose you
F        C    F   Am
I choose you
F        C    F  Am   F
I choose you

            F                         C
Through the lows and the highs, I will stay by your side
        G                         N.C.
There s no need for goodbyes, now I m seeing the light

            F                         C
Through the lows and the highs, I will stay by your side
        G                           Am        G
There s no need for goodbyes, now I m seeing the light
        F                         C
When the sky turns to grey and there s nothing to say
      G             Am* G*    C
At the end of the day, I choose you
    Am G     C*    F   Am
Oh, I choose you
F#m* Am* C*
I choose you.
