

My Song

Alessia Cara

Am **C**
Tune in to find my peace and solitude
F
These empty rooms spin
G *
And I embrace the flaws of being human
Am **C**
The black and white and sometimes the greys
F
The in-between times, the meantimes
G *
That make the song of life sing

Am **C** **Am**
Play, rest, repeat
C **F**
Read exactly what is written on the sheet
Am
Don't deviate they say
C **F** **Am**
But I will play what's best for me
C **F**
I'll press the keys and pull the strings
Create a symphony that's mine

C **Em** **Am** **F**
And I'll spend my life penning my song, my song
C **Em** **Am**
And the verses I write will speak for me
F
Good girls don't make history
G **F**
So I may never be what you assume
Am **C**
Don't want your hooks or auto-tune
F **Am**
If I'm off-key then that's alright with me
C **F**
Oh and maybe you will learn this when I'm gone
My song will carry on

Am **C**
Let go, I let my voice be heard
F

Then listen for the echo

G *

Am

My own reverb is playing cause I m a movement

C

There s dissonance, sometimes I make mistakes

F

G *

Oh I m human, after all I m not your expectations

Am

C

Am

But play, rest, repeat

C

That s what they ask of me

F

Am

Just stick to this melody and stay between the lines

C

F

Am

But I will play what s best for me

C

F

I ll ring the bells and crash the symbols

My harmonious design

C

Em

Am

F

And I ll spend my life penning my song, my song

C

Em

Am

And the verses I write will speak for me

Good girls don t make history

G

F

So I may never be what you assume

Am

C

Don t want your hooks or auto-tune

F

Am

If I m off-key then that s alright with me

C

F

Oh and maybe you will learn this when I m gone

My song will carry on

C

In my time here

Em

Am

I wanna be revered and remembered

F

Oh let them say I came, I conquered

C

So I won t fear

Em

Am

And I can t blend in

F

You can t replace and you cannot erase me

Am

C

F

Cause my song will play on beyond time

C **Em** **Am** **F**
 And I ll spend my life penning my song, my song
C **Em** **Am**
 And the verses I write will speak for me
F
 Good girls don t make history
G **F**
 So I may never be what you assume
Am **C**
 Don t want your hooks or auto-tune

 Oh and maybe you will learn this when I m gone
 My song will carry on

C **Em** **Am** **F**
 And I ll spend my life penning my song, my song
C **Em** **Am**
 And the verses I write will speak for me
F
 Good girls don t make history
G **F**
 So I may never be what you assume
Am **C**
 Don t want your hooks or auto-tune
F **Am**
 If I m off-key then that s alright with me
C **F**
 Oh and maybe you will learn this when I m gone
 My song will carry on
