October Alessia Cara

5am the moon went to sleep Am Your friend speaking in tongues in the back seat Just one little glance, I know what you mean somehow С We re stealing moments, moments away Why are we just not as good in the day? G Is it too soon to know if it s too soon to say for now? Dm The bubble we re living in Setting me free again I don t know what it is about this I m gonna miss it when it s over Yeah, yeah I hope we never see October Yeah, yeah I felt the weight fall off my shoulders Yeah, yeah, yeah I m gonna miss this when it s I m gonna miss you when it s done C

I can t feel my hands, you laugh like you do

G

                       Αm
It happened like that according to you
                                                F G
It s only a month, but doesn t feel new somehow
Yeah, yeah
Dm
The bubble we re living in
Setting me free again
I don t know what it is about this
          C
I m gonna miss it when it s over
Yeah, yeah
          Am
I hope we never see October
Yeah, yeah
I felt the weight fall off my shoulders
Yeah, yeah, yeah
I m gonna miss this when it s
I m gonna miss
I m gonna miss it when it s over
Yeah, yeah
          Αm
I hope we never see October
Yeah, yeah
I felt the weight fall off my shoulders
Yeah, yeah, yeah
I m gonna miss this
I m gonna miss you when it s done
Paint a picture in my brain, encapsulate the fleeting feeling
```

It ricochets, replace my pain til every trace is leaving Am D The nerve of autumn time days flying by, every sunrise healing me And we re okay, we ll live this way til it s done С I m gonna miss it when it s over Yeah, yeah Αm I hope we never see October Yeah, yeah I felt the weight fall off my shoulders Yeah, yeah, yeah I m gonna miss this when it \mathbf{s} I m gonna miss I m gonna miss it when it s over Yeah, yeah Am I hope we never see October Yeah, yeah С I felt the weight fall off my shoulders Yeah, yeah, yeah I m gonna miss this

I m gonna miss you when it s done

I m gonna miss you when it s done.
