You take me high just to bring me down

Oh, and you bring me down, down

We fight, we laugh

Detox, rehab

Letting go of what we had

Ohh, ooh ooh ooh ooh

Over trying, over lies

Over crying, over-traumatised

Over-worked and moreover I m done

Over and over

I m falling under your spell, call me over

I m runnin back to this hell you come over

And didn t you say we were through?

Why can t I get over you?

Oh and I overdose

Boy I want off of this roller coaster

You take me high just to bring me down

Oh, and you bring me down

Oh and I overdose

Boy I want off of this roller coaster

You take me high just to bring me down

Oh, and you bring me down, down

Boy I come crashing, crashing

Down from the high and wondering, wondering

Wondering why this ain t over

Am

Let it just be over
