Boy I want off of this roller coaster

You take me high just to bring me down
          **C#**      **F#**
Oh, and you bring me down, down

**C#**         **Bbm**             **Fm**     **G#**

**G#**            **C#**
I m in over my head
    **Bbm**           **Fm**    **G#**
Over love, boy I over trust
**G#**                **C#**                      **Bbm**
Give me the chance to pick up the pieces you left me in
     **Fm**         **G#**
Why did I let you in?
**G#**           **C#**      **Bbm**
Overzealous, I m over this
       **Fm**  **G#**
Oh I m over us
     **F#**
Over and over
       **Bbm**     **C#**           **F#**
I let you under my skin and it s over
       **Bbm**     **C#**           **F#**
I promise never again you d come over
           **Bbm**
Something takes over me
    **F#**               **G#**
I can t control this hallucinogen

      **Bbm**
Oh and I overdose

Boy I want off of this roller coaster

You take me high just to bring me down

**G#**                    **C#**

You take me high just to bring me down
             **C#**       **F#**
Oh, and you bring me down, down

**C#**     **Bbm**         **Fm**
We fight, we laugh
    **G#**      **C#**
Detox, rehab
        **Bbm**          **Fm**
Letting go of what we had
**G#**                   **C#**
Ohh, ooh ooh ooh ooh
       **Bbm**          **Fm**
Over trying, over lies
      **G#**            **C#**
Over crying, over-traumatised
     **Bbm**              **Fm**      **G#**
Over-worked and moreover I m done
          **F#**
Over and over
           **Bbm**      **C#**            **F#**
I m falling under your spell, call me over
           **Bbm**      **C#**           **F#**

Boy I want off of this roller coaster

You take me high just to bring me down

You take me high just to bring me down

Oh, and you bring me down, down

          **F#**
Boy I come crashing, crashing
**Bbm**             **C#**       **F#**
Down from the high and wondering, wondering
**Bbm**      **C#**         **F#**
Wondering why this ain t over
            **Bbm**

Let it just be over
**C#**                          **F#**        **G#**
Sobering thoughts taking over my mind

        **Bbm**
Oh and I overdose
**G#**                      **C#**
Boy I want off of this roller coaster
**F#**                          **Bbm**        **G#**
You take me high just to bring me down
            **C#**        **F#**
Oh, and you bring me down, down
        **Bbm**
Oh and I overdose
**G#**                      **C#**
Boy I want off of this roller coaster
**F#**                          **Bbm**        **G#**
You take me high just to bring me down
            **C#**        **F#**
