

Stone
Alessia Cara

F **Dm**
So much on my mind
C/E **F**
I think I think too much
F **Dm**
Read between these lines
C/E **Bb**
Unspoken weight of words
Bb **C/E** **F**
But time comes to rest when you are by my side, it blurs

F **C/E** **Bb**
And I will follow where this takes me
C **C/E** **F** **Am7**
And my tomorrows long to be unknown
Dm **C/E** **Bb**
When all is shaken, be my safety
C **F**
In a world uncertain, say you ll be my stone

F **Dm**
Change in every wind
C/E **F**
The sands of time don t know our name
F **Dm**
Oh nothing s sure, but surely as we stand
C/E **Bb**
I promise I will stay the same
Bb **C/E**
And I ve never seen forever
C/E **F**
But I know we ll remain

F **C/E** **Bb**
And I will follow where this takes me
C **C/E** **F** **Am7**
And my tomorrows long to be unknown
Dm **C/E** **Bb**
When all is shaken, be my safety
C **F**
In a world uncertain, say you ll be my stone
F

Dm
Be my stone
C **F** **Am7**
In a world uncertain, say you ll be my stone

Dm **Bb** **C/E**
Oh steady me, be my source of gravity
C/E **Gsus2**
While my world s unraveling
Gsus2 **Bb** **C** **F**
Say you ll never change, oooooohhh Oh

F **C/E** **Bb**
And I will follow where this takes me
C **C/E** **F** **Am7**
And my tomorrows long to be unknown
Dm **C/E** **Bb**
When all is shaken, be my safety
C **F**
In a world uncertain, say you ll be my stone
F
(Ooooooh ooh ooh)
