

Stone
Alessia Cara

F# **Ebm**
So much on my mind
C#/E **F#**
I think I think too much
F# **Ebm**
Read between these lines
C#/E **B**
Unspoken weight of words
B **C#/E** **F#**
But time comes to rest when you are by my side, it blurs

F# **C#/E** **B**
And I will follow where this takes me
C# **C#/E** **F#** **Bbm7**
And my tomorrows long to be unknown
Ebm **C#/E** **B**
When all is shaken, be my safety
C# **F#**
In a world uncertain, say you ll be my stone

F# **Ebm**
Change in every wind
C#/E **F#**
The sands of time don t know our name
F# **Ebm**
Oh nothing s sure, but surely as we stand
C#/E **B**
I promise I will stay the same
B **C#/E**
And I ve never seen forever
C#/E **F#**
But I know we ll remain

F# **C#/E** **B**
And I will follow where this takes me
C# **C#/E** **F#** **Bbm7**
And my tomorrows long to be unknown
Ebm **C#/E** **B**
When all is shaken, be my safety
C# **F#**
In a world uncertain, say you ll be my stone
F#
(Oooooooh oooh oooh)

Ebm
Be my stone
C# **F#** **Bbm7**
In a world uncertain, say you ll be my stone

Ebm **B** **C#/E**
Oh steady me, be my source of gravity
C#/E **G#sus2**
While my world s unraveling
G#sus2 **B** **C#** **F#**
Say you ll never change, oooooohhhh Oh

F# **C#/E** **B**
And I will follow where this takes me
C# **C#/E** **F#** **Bbm7**
And my tomorrows long to be unknown
Ebm **C#/E** **B**
When all is shaken, be my safety
C# **F#**
In a world uncertain, say you ll be my stone
F#
(Oooooooh oooh oooh)

Ebm
Be my stone
C# **F#**
In a world uncertain, say you ll be my stone
