

Stone  
Alessia Cara

**G** **Em**  
So much on my mind  
**D/E** **G**  
I think I think too much  
**G** **Em**  
Read between these lines  
**D/E** **C**  
Unspoken weight of words  
**C** **D/E** **G**  
But time comes to rest when you are by my side, it blurs

**G** **D/E** **C**  
And I will follow where this takes me  
**D** **D/E** **G** **Bm7**  
And my tomorrows long to be unknown  
**Em** **D/E** **C**  
When all is shaken, be my safety  
**D** **G**  
In a world uncertain, say you ll be my stone

**G** **Em**  
Change in every wind  
**D/E** **G**  
The sands of time don t know our name  
**G** **Em**  
Oh nothing s sure, but surely as we stand  
**D/E** **C**  
I promise I will stay the same  
**C** **D/E**  
And I ve never seen forever  
**D/E** **G**  
But I know we ll remain

**G** **D/E** **C**  
And I will follow where this takes me  
**D** **D/E** **G** **Bm7**  
And my tomorrows long to be unknown  
**Em** **D/E** **C**  
When all is shaken, be my safety  
**D** **G**  
In a world uncertain, say you ll be my stone

**G**  
(Oooooooh oooh oooh)

**Em**  
Be my stone

**D** **G** **Bm7**  
In a world uncertain, say you ll be my stone
