Intro:

D Bm Em A

D Bm

4:55, everybody else is snorin

Em A

My heavy eyes, I can never seem to close em

D Bm

My running mind just can't catch you when it's goin

Em A

Is it late at night or is it early in the mornin' ?

D Bm

Only so many sheep a girl can count, patchouli candles burnin' out

Em A

I try to meditate it all away but damn, it is too quiet now

D Bm

Daylight helps distract my head, monsters hide under my bed

Em A

They bother me with all kinds of things like where do I go when I'm dead?

D Bm

Is it too much to ask for a sweet dream?

Em A

Need a step back from my feelings

F#m Bm

Life is not so bad when I'm sleeping

Em A N.C.

Is it too much to ask, too much to ask for a

D Bm

Sweet dream

Em A

For a sweet dream

N.C. Bm

6:58, sun's peakin' through the curtains

Em A

I drift away, suddenly the wheels are turnin'

D Bm

Songs are in my head, scary thoughts begin to worsen

Em A

Once I'm wide awake, it's too hard to reverse it

D Bm

Chirpin' birds are flying round my house, patchouli candles burnin' out

Em A

I try to meditate it all away but damn, it is too quiet now

D Bm

Daylight helps distract my head, monsters hide under my bed

Em
