G Dm
 The sun hits like a bullet of faith
F C
 And then suddenly Iâ€™m wide awake

 Fake bliss, our apologies made

 Was an enemy with no escape
G Dm
 My hands were tied

 But now theyâ€™re not
G Dm F C
 So grab on to desire and run away
G Dm
 These will be the years

 These will be the years

 The Lights will all appear
F C
 These will be the years
G Dm
 Years
F C
 These will be the years
G Dm

G Dm
 Great dust now sparkling gold
F C
 And the best is yet to unfold
G Dm
 Wide heat fire and comfort the cold
