G **Dm**
The sun hits like a bullet of faith
F **C**
And then suddenly Iâ€™m wide awake
G **Dm**
Fake bliss, our apologies made
F **C**
Was an enemy with no escape
G **Dm**
My hands were tied
F **C**
But now theyâ€™re not
G **Dm** **F** **C**
So grab on to desire and run away
G **Dm**
These will be the years
F **C**
These will be the years

The Lights will all appear

These will be the years
G **Dm**

G **Dm**
Great dust now sparkling gold
F **C**
And the best is yet to unfold
G **Dm**
Wide heat fire and comfort the cold
F **C**
And our heart is found in her soul
