intro: **G#**, **Ebm**, **C#**, **G#** x2

G# **Ebm**
The sun hits like a bullet of faith
F# **C#**
And then suddenly Iâ€™m wide awake
G# **Ebm**
Fake bliss, our apologies made
F# **C#**
Was an enemy with no escape
G# **Ebm**
My hands were tied
F# **C#**
But now theyâ€™re not
G# **Ebm** **F#** **C#**
So grab on to desire and run away
G# **Ebm**
These will be the years
F# **C#**
These will be the years
G# **Ebm**
The Lights will all appear
F# **C#**
These will be the years
G# **Ebm**

G# **Ebm**
Great dust now sparkling gold
F# **C#**
And the best is yet to unfold
G# **Ebm**
Wide heat fire and comfort the cold
F# **C#**
And our heart is found in her soul
