[Verse 1]

Gm F
Woke up in a daze got me feeling so strange
C Dm
We re so damn far from that honeymoon phase
Gm F
Taught you how to love, taught you how to be brave
C Dm
Then you had to try and throw it all in my face

[Pre-Chorus]

Gm F
You said that I d need you, You said that I d miss you
C Dm
But you re just a chapter that I know I ll forget
Gm F
Cause you are just all talk, The truth is you re so lost
C
If we had it all then you ve got nothing left

[Chorus]

G F
I ve forgotten how to love because of you
C Dm
I know that I ll be ok, Oh you were my big mistake
G F
I got stuck in limbo cause of you
C Dm
I know that I ll be ok, Oh you were my big, my big mistake

[Post-Chorus]

You were my, you were my, you were my big mistake
