Here I go?...another night of fun by myself losing all control?  
 You won t believe it I ve thinking  
 I wanna rob a bank?, get you everything you could ever need?  
 Steal a plane, fly away wherever you want?

```

G                                F#m
  You ll never know when to stop
?                                Bm
It s the way you keep me twisted
?    A
It s just how I like it to be?
G                                F#m
  You never know in the skies?
                                Bm                                A
So if you wake up and see me on the news
  A7
?I did it all...

There you go...you love to cause trouble, I don t think it all just how it goe?s  
I ve been to doing the same?  
Steal your favorite car, driving every mile till we pop the charge?  
No jail bars are ever keeping us apart

```
