

Animals

Alex & Sierra

Am **G**
Hiding away, turned into prey
F
Like we re animals
E
Yeah, we re loving like we re animals
Am
I know it s your day
(I m bleeding but it feels right)
F
Hunting the day
(We re flying through the night like we re animals)
E
Yeah, we re loving like we re animals

Am **G** **F**
We re not here to break no hearts
E
Just let it go

Am
Cause every single touch don t mean a thing
G
And every time you re calling out my name
F **E**
We know that it s just not to be alone
Am
Cause every single touch don t mean a thing
G
And every time you re calling out my name
F **E**
We know that it s just not to be alone

We re loving like we re animals
Am **G**
Like, like we re animals
F
A, a, a animals
E
Like we re animals

Am
Under my skin
(It s killing us, but feels right)
G **F**
I m ready to sin
(Baby, take a bite like we re animals)

E

Yeah, we re loving like we re animals

Am G F

We re not here to break no hearts

E

Just let it go

Am

Cause every single touch don t mean a thing

G

And every time you re calling out my name

F

E

We know that it s just not to be alone

Am

Cause every single touch don t mean a thing

G

And every time you re calling out my name

F

E

We know that it s just not to be alone

We re loving like we re animals

Am G

Like, like we re animals

F

A, a, a animals

E

Like we re animals

Am

Save your sorrows

G

Save them for tomorrow

F E

Cause in the wild we know

Am

Cause every single touch don t mean a thing

G

And every time you re calling out my name

F

E

We know that it s just not to be alone

Am

Cause every single touch don t mean a thing

G

And every time you re calling out my name

F

E

We know that it s just not to be alone

We re loving like we re animals

Am G

Like, like we re animals

F

A, a, a animals

E

Like we re animals
