

**E**

Yeah, we re loving like we re animals

**Am G F**

We re not here to break no hearts

**E**

Just let it go

**Am**

Cause every single touch don t mean a thing

**G**

And every time you re calling out my name

**F**

**E**

We know that it s just not to be alone

**Am**

Cause every single touch don t mean a thing

**G**

And every time you re calling out my name

**F**

**E**

We know that it s just not to be alone

We re loving like we re animals

**Am G**

Like, like we re animals

**F**

A, a, a animals

**E**

Like we re animals

**Am**

Save your sorrows

**G**

Save them for tomorrow

**F E**

Cause in the wild we know

**Am**

Cause every single touch don t mean a thing

**G**

And every time you re calling out my name

**F**

**E**

We know that it s just not to be alone

**Am**

Cause every single touch don t mean a thing

**G**

And every time you re calling out my name

**F**

**E**

We know that it s just not to be alone

We re loving like we re animals

**Am G**

Like, like we re animals

**F**

A, a, a animals

**E**

Like we re animals
