

I Love You
Alex & Sierra

C Dm
I fell in love with a beautiful girl
Em G C
And she still takes my breath away
C Dm
I fell in love in the morning sun
Em G C
While the hours slipped away

C Dm
Sometimes when I hear your name
Em G C
A smile creeps on my face
Dm
And for reasons I can't explain
Em Dm C
It's never out of place

C
Cause I love you
Dm
More than you think I do
Em Dm
And I love you
C
Now you don't want me to
C
Cause I love you
Dm
More than you think I do
Em Dm
And I love you
C
Now you don't want me to

C Dm
You ran your finger down my back
Em G C
And you spelled out your name
Dm
While we laid there on the soft warm ground
Em G C
For a week and thirteen days

C Dm
And I know that it sounds so wrong
Em G C

And you've heard all this before

Dm

I didn't come back and I wasn't there

Em Dm C

I won't trouble you no more

C

Cause I love you

Dm

More than you think I do

Em Dm

And I love you

C

Now you don't want me to

C

Cause I love you

Dm

More than you think I do

Em Dm

And I love you

C

Now you don't want me to

Bb

Every time I try to fight it

Am C

Everything just turns out wrong

Bb Am

Maybe if I got my timing right

C G C

I wouldn't end up alo-o-one

C

Dm

I fell in love with a beautiful boy

Em G C

And you still take my breath away

Dm

When you left it was the end of my world

Em Dm C

Cause I never got to say...

C

That I love you

Dm

More than you think I do

Em Dm

And I love you

C

Now you don't want me to

C

Cause I love you (cause I love you)

Dm

More than you think I do (cause I do)

Em Dm

And I love you (I love you)

C

Now you don't want me to

C

Dm

Cause I love you, whoa oh whoa oh oh oh oh

Em

Whoa oh whoa oh oh oh, and I love you

Dm

Whoa oh whoa oh oh oh, whoa oh whoa oh oh oh oh

C
