I m standin still without you
In the emptiest of fields
Wish that I could say what s on my mind
The straw that fills your heart so you never have to feel
You say that you just need a little time
Days like these I bury my each and every word
Hide them underneath these lonely trees
The harvest moon is wicked
I know that you ve been hurt
I swear I m here for good I ll never leave

Used to be so full of life not just an empty shell
You re out there all alone I wonder why
The pieces keep on falling out and I pick them up myself
But I d let you steal the buttons from my eyes
