I m standin still without you  
In the emptiest of fields  
Wish that I could say what s on my mind  
The straw that fills your heart so you never have to feel  
You say that you just need a little time  
Days like these I bury my each and every word  
Hide them underneath these lonely trees  
The harvest moon is wicked  
I know that you ve been hurt  
I swear I m here for good I ll never leave

Used to be so full of life not just an empty shell  
You re out there all alone I wonder why  
The pieces keep on falling out and I pick them up myself  
But I d let you steal the buttons from my eyes
