Trouble
Alex & Sierra

Am
Once upon time
A few mistakes ago

Am/G
I was in your sights
You had me alone

D/F#
You found me
You found me

F   **E**
You found me

Am
I guess you didn t care
And I guess I liked that

Am/G
And when I fell hard
You took a step back

D/F#   **F**   **E**
Without me, without me, without me

Am   **Am/G**
     And he s long gone
                              D/F#
When he s next to me
                    F   **E**
And I realized the blame is on me

Am   **Am/G**   **D/F#**
Cause I knew you were trouble when you walked in
F   **E**   **Am**
Shame on me no-ow
                     Am/G   **D/F#**
Flew me to places I d never been
F   **E**
Till you put me down
     Am   **Am/G**   **D/F#**
Oh I knew you were trouble when you walked in
F   **E**   **Am**
Shame on me no-ow

```
                     Am/G                      D/F#
Flew me to places I d never been
F                              E                  Am
Now I m lying on the cold hard ground

      Am/G D/F#
Ohhhhhhhhh
F       E     Am
Trouble trouble
Am/G        D/F#
Ohhhhhhhh
F        E
Trouble trouble

Am
No apologies
He ll never see you cry
Am/G
Pretend he doesn t know
That he s the reason why
          D/F#                                  F        E
You re drowning, you re drowning, you re drowning

Am
Heard you moved on
Am/G
From whispers on the street
A new notch in your belt
Is all I ll ever be
D/F#                              F      E
And now I see, now I see, now I see
Am                    Am/G
And he s long gone
                    D/F#
When he met me
            F                              E
And I realized the blame is on me
