ALEX BAND - EUPHORIA

#Tuning 1/2 a tone down#

Intro **C, G, Am, F** [same sequence throughout] - simple but effective

[Verse]

**C** **G**  
When you take a breath

**Am** **F**  
But you can't hold it in

**C** **G**  
When you try to live

**Am** **F**  
But don't know where to begin

**C** **G**  
When there's no hope left

**Am** **F**  
No place you can go

**C** **G**  
Well, just look inside your heart

**Am** **F**  
Close your eyes and you'll know

[Chorus]

**C**  
It's euphoria

**G** **Am**  
Out of the blue, into the light

**F** **C** **G**  
Let it shine down all over you, yeah

**Am** **F**  
You gotta give love to get love

**C**  
In euphoria

**G** **Am**  
Under the moon, take in the night

**F** **C** **G**  
Let each day start yourself anew, yeah

**Am** **F**  
You gotta give love to get love

[Verse]

Like a piece of glass  
That s washed in from the sea  
You can t taste the good  
Unless you re willing to bleed

So just take a chance  
You re ready to fly  
Feel what it is to be alive

[Chorus]

It s euphoria  
Out of the blue, into the light  
Let it shine down all over you, yeah  
You gotta give love to get love

In euphoria  
Under the moon, take in the night  
Let each day start yourself anew, yeah  
You gotta give love to get love

[Instrumental]

**Am, G, F, G x4**

[Chorus] - [play this one quietly]

It s euphoria  
Out of the blue, into the light  
Let it shine down all over you, yeah  
You gotta give love to get love

In euphoria  
Under the moon, take in the night  
Let each day start yourself anew, yeah  
You gotta give love to get love

In euphoria  
You gotta give love to get love  
In euphoria  
You gotta give love to get love

In euphoria  
You gotta give love to get love  
In euphoria  
You gotta give love to get love

In euphoria..
