

Last Goodbye
Alex Band

I ve done this from a demo i downloaded from AlexMaxBand.com- its the first from his new album i think.

Its really simple but sounds great on the acoustic.

If you want to play in regular E tuning play it in the key of B.

Tuning - **Eb Ab Db Gb Bb Eb**

C- x32010

G- 320001

Am - x02210

F- x3321x

Im not sure what these chords are called so Im just putting a star next to the chord theyre derived from:

C*- x33010

G*- 320013

INTRO

Cause this is not my last goodbye

Bridge

AM G

C **F** **Am G**
The red rain is pouring down
C **F** **AM G**
And now my feet don t touch the ground
C **F**
I m lost between the stars and moons
G
I will see you soon

Verse 3 (1 repeated)

C
I turn the page my story ends
G
I say goodbye to all my friends
Am
I know it s getting late
F G
Now the light is on my face
C
I changed the clocks back again
G
And ask forgiveness for my sins
Am
Cause I don t know where I ll go
F G
Well this is all that I really know

Chorus

C C* G
I ll keep holding on
G* Am
I ll keep singing my song

It gets me through it
F G
I ve got the scars to prove it
C C* G
Well I know the road is long
G* Am
But I m staying strong so don t cry
F G
Cause this is not my last goodbye
C C*
Let me play for you
G G*
Let this heart ring true
Am
One more time
F G

Just one more time

C **C***

Let me play for you

G **G***

Let this heart ring true

Am

One more time

F **G**

Just one more time

C

Just one more time

Repeat chords and fade for outro.

I think just about covers it all.
