

Please
Alex Band

Band - Alex Max Band
Song - Please
Album - We ve All Been There (2010)

Standard Tuning: EADGBE

Capo on 1st fret

C **F**
There s no pleasure without pain
Am
There s no love without hate
G
Everything you give comes right back to you

C **F**
But overseeing and space and time
Am
Turning water into wine
G
There s a power looking down upon us

F **G** **Am** **G**
Now But how do I find out
F **G** **Am** **G**
a way to say what I have to say

C **G**
So please, please
Am **F**
tell me what I need
C **G**
I m asking please, oh, please
Am **F** **C** **F, Am, G**
tell me what i need to believe

C **F**
We made fire from the flame
Am
You put out our wicked games
G
All we wanted was to be close to you

C **F**
But you re always in control
Am

Pulling strings over our souls

G

Though we have free will we re never alone

F **G** **Am** **G**

Now But how do I find out

F **G** **Am** **G**

a way to say what I have to say

C **G**

So please, please

Am **F**

tell me what I need

C **G**

I m asking please, oh, please

Am **F**

tell me what I need to believe

C

If love is a temple

G

Then hope is a church

Am **F**

That binds everybody like the spine of a book

C

through the pages that cannot be turned

G

Am

If we re here for a reason then the reason is ours to know

F

But to say that it s better not to know and

together we keep living on and weather the storm

C **G**

So please, please

Am **F**

tell me what I need

C **G**

I m asking please, oh, please

Am **F**

tell me what I need to believe

C

If love is a temple

G

Then hope is a church

Am **F**

That binds everybody like the spine of a book

C

through the pages that cannot be turned

G

Am

If we re here for a reason then the reason is ours to know

F

But to say that it s better not to know and

together we keep living on and weather the storm

C

So, please.....
