

Rest Of Our Lives
Alex Band

Rest of our lives by Alex Band

This is a great song by Alex band from his new EP 2008. Simple to play and easy to remember :) Enjoy

[Standard tuning with capo on 4th fret]

Verse 1:

G

Iâ€™m here

Em7

Just walking on a wire

Cadd9

I m tripping on my words

G

I m burning with desire

G

Cause now there s you

Em7

You ve given me a name

D/F#

A story with an ending

Cadd9

That I would never change

Chorus:

G

And if you ever need me

Em7

I ll be there for you

Cadd9

And if you stop believing

G

Just know we ll make it through

G

And when you re down and broken

Em7

Well I ll be by your side

D/F#

Cause I know that today

Cadd9

D/F# G

Is the first day of the rest of our lives

G Em7 D/F# Cadd9

Verse 2: [Same chords as verse 1]

So take

All that s left of me

My heart into your hands

Your hands are all I need

And now I m feeling high

Cause your love is like a drug

You ve given all you can

But I cannot get enough

Chorus: [Same chords as chorus 1]

And if you ever need me

I ll be there for you

And if you stop believing

Just know we ll make it through

And when you re down and broken

Well I ll be by your side

Cause I know that today

Em7

Is the first day of the rest of our lives

Bridge:

And I m giving it all

Cadd9 Em7

Yah I m giving it all to you

Cadd9 D/F# Em7

Yah there s nothing that I wouldn t do

So I m giving it all

Cadd9 Cm

Yah I m giving it all to you

Chorus x2: [Same as chorus 1 and 2]

And if you ever need me
I ll be there for you
And if you stop believing
Just know we ll make it through
And when you re down and broken
Well I ll be by your side
Cause I know that today
Yeah today

If you ever need me
I ll be there for you
Just hold on to that feeling
There s nothing we can t do
And when you re down and broken
Well I ll be by your side
Cause I know that today
Is the first day of the rest of our lives
Of the rest of our lives...

Outro: [Same as verse]

So take my hand
I ll lead us on
Through stormy seas
And rivers strong
In all that s dark
Our colors bright
So now I say
To you goodnight...
I say goodnight...
