So let s play:

Verse 1:

Am **F C G**
I found you dancing alone.
Am **F C G**
then the room filled up with you,

and that song we both know.

Am **F C G**
Thats when you caught me with your eyes
Am **F C G**
Sending shivers down my spine.
Am **F C G**
And then you whispered in my ear
F
You said I can feel it too
G
And then you pulled me into you.

Chorus:

C
Tonight,
G
I got you where I want you.
F
Closer I can tell you anything,
Am **G**
You re the song that I sing.

C
Tonight,

Let the music take us over.
