

**Caroline**  
**Alex Clare**

All the chords in this song sound better if barred, in my opinion, but if you're just looking to strum through the song, I wouldn't worry about it too much. Love this song and I wasn't able to find the chords anywhere so thought I'd figure them out and post them.

P.S. Not too sure about the lyrics in the last line of verse two. If you have a suggestion, comment or shoot me a message!
