[Chorus]

Girl i just want to hold you
Build my world right around you
Cus girl you give me the tightest hold I ve ever felt in my life
Girl i just want to squeeze you
Build my world right around you
Oh girl you give me the tightest hold ive ever felt in my life

Dry your eyes i can
See ill take you any time anywhere
When your scared and full of fear
As a man I will be there
I want a girl who can go with me
I want a girl who can take care of me
Could you be it Let me see it
Girl could you really be it

(Chorus)

Life passed me by too fast to recall
Never felt this good before
Cause you like a drug that I ve had withdraw
And you always leave me wanting more
