Verse:

F# D#m
Take what you need, and leave the rest,
A#
No I don't mind, no I don't mind,
I'll get this off my chest,
F# D#m A#
There's nowhere else I'd rather be.
F# D#m
Come flying in, and then again,
A#
I'm not here long enough to pretend that I seem so well,
F# D#m A#
There's nowhere else you'd rather be.

Chorus: [x2]

F# D#m
Like a hummingbird in flight you are,
A#
Hovering, hovering round me,
F# D#m A#
And I move near, you fly away.
F# D#m A#
Don't fly away [x3]

Verse:

F# D#m
What can I say, you have to wait,
A#
You find it hard to say and to articulate,
F# D#m A#
I know there's nowhere else you'd rather be.
F# D#m
It seems so clear, I know we're through,

A#

Yet all I wanna do is making love to you,

F# D#m A#

I know there s nowhere else you d rather be.
