

I Wont Let You Down
Alex Clare

Tab, Alex Clare " I won't Let You Down

Ok this is my first attempt at writing a tab and my first attempt at tabbing a song by ear, there where no other tabs online for this song but he is relatively unknown, but this song is so good i had to give it a go, hope you like it, i think it works but if you have any corrections or constructive criticism please feel free to let me know, have fun and take care x

Capo 1st fret

Verse 1

Just another grey autumn day
Your the sunshine trying to break through
Though i never imagined
That my path would lead through you
The look in your eyes
As they met mine seemed to say we're the same

G#

In so many ways

C#

Though we're worlds apart

B

I will promise you

Chorus 1

I won't let you down
No i won't let you down.

Verse 2

There are so many reasons
To keep us apart
But it won't stop me losing
My mind or my heart
What would i give

B A E

To touch your hand

A **B**

Or just feel your skin

G#

Iâ€™d breathe you in

C#

Could this ever be

B

Youâ€™™d be next me

chorus

E **B** **A**

No i wonâ€™t let you down

E **B** **A**

No i wonâ€™t let you down

break

G **A** **B**

I know myself so well but i never been here before
