Capo on 1

* This was my first tab when I d just started playing, and I m aware that a lot of it is completely wrong*

* I have submitted a new version of it that I think is more accurate, and has a lot fewer chords!*

VERSE 1

Em **G** **D**
I am the one, so it went,
 A **Em**
You threw stones and I lay playing dead,
 G **A** **Bm**
With the racing heart of a teenage kid.
 D **G**
How do I feel? Like you d know
 Em **G**
It doesn t take the brightest mind
 D **A**
To see, to see,
 G **Em**
You ve broken my heart.
 D **A** **Bm**
You ve broken my heart.

CHORUS

D **G**
And no, no no no,
 Em **A**
It s the shame, shame, shame,
 D
I m kidding myself,
 G
As I m standing here,
 A (E) **Bm**
In the pouring rain.
 D **G**
And I wo, wo wo, wonâ€™t
 Em **A**
Be the same, same, same
 D
Iâ€™m kidding myself
 G

As Iâ€™m standing here

A (E) Bm

In the pouring rain

VERSE 2

Bm G D

As the city slept, through the dark

A Em

Bright blue eyes they stole a lonely heart

G A Bm

And our pulses beat like drums and we laughed

D G

And how do I feel? Like youâ€™d know

Bm G

It doesnâ€™t take the brightest mind to see

G Em

Youâ€™ve broken my Heart

G Em

Youâ€™ve broken my Heart
