Alex Day

Intro: **G**

G
We sing together out of key,

Although we try it seems we just can't find our harmony,
Cadd9
We just don't fit each others frequencies,
Em7
That makes you out of reach,

And I am finally accepting that,

G
About you and me, it s plain to see,
We only ever want to stay inside and watch tv,
Cadd9
Because that s just as good a memory,
Em7
You re just good company,
Dsus4
And I am finally accepting that,

Em7 G
Remember the time when we stole the whole day?
Em7 G
And nobody knows it, we took it away,
Cadd9 G
And it will be forever mine,
Cadd9 G
And it will be forever yours
Em7 G
Now we own the night, and it can't be undone,
Em7 G
We'll never forget how it feels to be young,
Cadd9 G
Cos it will be forever mine,
Cadd9 G
Cos it will be forever yours
