

Georgia
Alex Day

Verse: **E, G, D**

Pre-chorus: **A7, B7**

Chorus: **G, D, E**

Georgia

I never knew who you were

All of the faces on this paper tell me everything

Georgia

I wish I knew who you were

If I woke up and you were gone tomorrow how would I know

There's only one question

Do you want Georgia to leave? (No no no)

Georgia

Nikoll Lekaj doesn't care

And four other people all called Bob Bob Bob Bob want you out

Georgia

Focus on Daniel Reeve

Cos just like Christopher he can be your Superman tonight

Georgia

I never met you, but I think I'm in love
