

Pokmon What Happened To You
Alex Day

By Steph H - PokÃ©mon Addict

D **Em**
I remember when there were only one-fifty of you
G **A**
D
Well, technically one-fifty-one if you are counting Mew, but I digress
Em
I guess I spent the best years of my little life
G **A**
Surfing Cinnabar Island to get 126 Revives
D **Em**
And I miss the PokÃ©mon Centre
G **A**
I miss its music too
D **Em**
And the way that Snorlax looked like Lapras on water
G **A** **D**
PokÃ©mon, what happened to you?

D **Em**
In the old days, you only got one form of every kind
G **A**
I could name all the Gym Leaders, didnâ€™t even have to try
D
Em
But now youâ€™ve shown me Team Galactic and Dark and Steel and eggs
G **A**
Oh I want my Red and Blue back when Ditto wasnâ€™t used for sex
D **Em**
I miss the cycling road, donâ€™t you know
G **A**
I miss the music too
D **Em**
And I canâ€™t believe you used to be in black and white
G **A** **D**
PokÃ©mon, what happened to you

G **D** **A**
Now Legendary means nothing to me
G **D**
A
Because one-of-a-kind creatures add up to over thirty
G **D** **A**
And I only want three choices for my Eevee

G **D** **A**
I donâ€™t want a rival if his name is not Gary

G (one strum only, let ring)
And how the hell do you pronounce Sweecon, Sooisine, Sweesign, Soisoosn, I donâ€™t know

G **D**
A
I miss holding down the B button when I thought it made it easier
G **D**
A
I miss surfing to the truck and using Strength to try and move it
G **D**
A
I miss watching my Charmander evolve into a Charmeleon
G
D **A**
I donâ€™t accept your Leaf Green, theyâ€™ll always be Red and Blue to me

D **Em**
Yesterday, I dreamt I was surrounded by Unown
G **A**
They spelled the words â€œWe re sorry on behalf of Nintendo
D **Em**

We donâ€™t get Poffins either, and SuperContests are so-so
G **A**
And the PokÃ©dex was fine, it didnâ€™t need a radioâ€¢
D **Em**
I miss the Team Rocket hideout
G **A**
And I miss the music too
D **Em**
And why have shinies if theyâ€™re so impossible to find
G **A** **D**
PokÃ©mon, what happened to you
G **A** **D**
PokÃ©mon, what happened to you

D **Em**
And Iâ€™ll never again experience that joy of mine
G **A** **A**
A **A** **D**
Because you are incompatible with my brand new D-S-i
