Alex Day

**Bm A G A**

I met this girl from the other side

**Bm A G A**

All kind of pale dressed in black and white

She's not the same quite different from any other girlfriends

**A**

I've had

It's like, her touch, it's invisible  
Can't get enough, she's sensational  
When she slips in my room,  
Then I know I'm on a good thing, not bad.

**E B F#**  
When I'm alone she appears from no-where  
**E B F#**  
It's so surreal, makes me feel I want to care.

**E B F#**  
I love it when she walks right through me  
**E B F#**  
I wanna feel her cold touch on my skin  
**E B F# E B F#**  
She doesn't mind if I can't see her tonight  
**E B F#**  
Yeah, I know I'm alright.

Her complexion, it's so timeless  
She's like a gothic lady princess.  
I never thought I'd be with a supernatural kind of girl  
Like her.

When I'm alone she appears from no-where  
It's so surreal, makes me feel I want to care.

I love it when she walks right through me  
I want to feel her cold touch on my skin  
She doesn't mind if I can't see her tonight

Yeah, I know I'm alright.

I ain't getting no sleep  
Situation's unique

This girl, she s so incredible  
When she takes off her clothes  
Then I know that it s only me that knows.
