

To Kayley Who Is Sad
Alex Day

[F] ha ha ha [C] haa [F] Your [Bb] card got stolen [F] again
[Bb] Your country is [F] stupid And [C] so are [Dm] you
[G] Ha ha ha [C] ha ha [F] haa

The [Bb] details of your card were stolen from [F] you
They [Bb] could have stolen your life if they wanted [F] to
But [Bb] one bargain [F] bucket was [C] almost [Dm] enough
they [Bb] went to a [F] grocery store [C] and bought some [Dm] stuff
In [Bb] stead of [F] identity [C] theft it was [Dm] like one [G] guy
perpetuating
a [C] stereo [C7] tyyyype

All together now
[F] Ha ha ha [C] ha ha [F] haa
Your [Bb] bank securityâ€™s [F] lame It [Bb] must be a [F] zinger
It [C] sucks to be [Dm] you
[G] Ha ha ha [C] ha ha [F] haa

In [Bb] England, weâ€™ve this thing, itâ€™s called chip and [F] pin
Ooooooooooh
When [Bb] you pay by card you put 4 numbers [F] in
Ooooooooooh
Itâ€™s [Bb] just like a [F] signature [C] itâ€™s just the [Dm] same
But [Bb] itâ€™s far too [F] easy to [C] write someoneâ€™s [Dm] name
But [Bb] guessing a [F] four digit [C] pin is quite [Dm] hard
Be [G] cause its not there on the [C] back of your [C7] card YOU MORONS

[F] Ha ha ha [C] ha ha [F] haa
Ha [Bb] haa ha ha ha [F] haa I
tâ€™s so [Bb] close to [F] Christmas, but [C] you canâ€™t buy [Dm] gifts
[G] Ho ho ho [C] ho ho [F] hoo

Ho ho you [Dm] know youâ€™re not the subject [F] of our sorrowful story
Ho [Dm] ho to victimize you over [F] this would be all wrong
Ho [Dm] ho If we have made you cry this [F] was not our intent
Ho [Dm] ho our﻿ love for [F] youâ€™s for this [Bb] indignant argu [C]
ment
[F] Ha ha ha [C] ha ha [F] haa
This [Bb] wouldnâ€™t have happened to [F] you
if [Bb] you werenâ€™t so [F] rubbish and [C] careless to [Dm] boot
The [Bb] haters will [F] hate and the [C] owls say [Dm] hoot
Say [Bb] you can t blame [F] us for not [A7] giving a [Dm] ****
[Bb] Ha ha ha [C] ha
[Bb] Ha ha ha [C] ha [F] ha!
