

**Nineteen**

**Alex G**

Hey guys. This is my first tab and i m 99% sure it s right.  
I love Alex G and her music and the only other one i found didn t really get the  
chorus right so i thought i d fix it up :)

Capo 4

Intro **Em,C,G,D**

**Em** **C**  
Iâ€™m tired of playing the part  
**G** **D**  
Of a little girl who, cant use her heart.  
**Em** **C**  
Iâ€™m broken, torn and scarred  
**G** **D**  
From all the poison, you threw at us.  
**Em** **C**  
But you wonâ€™t know, cuz you canâ€™t see  
**G** **D**  
The tattered child, you made of me

**Em** **C**  
Youâ€™ll follow me into my dreams  
**G** **D**  
And spit your words so desperately,  
**Em** **C** **G** **D** **Am** **C**  
I ll wash my hands of this tragic mess, But truth canâ€™t cure the blind, if  
**D**  
they donâ€™t care to see.  
**Em,C,G,D**

**Em** **C**  
Nineteen years inside this flesh  
**G**  
I fought through pain, I paid my dues,  
**D**  
But thatâ€™s still not enough for you.  
**Em** **C**  
So where do we go from here?  
**G** **D**  
You wonâ€™t keep me trapped in my fears.

**Em** **C**  
Youâ€™re sinking in your selfishness,  
**G** **D**  
Weâ€™re tainted by, words left unsaid.

**Em** **C**  
You'll follow me, into my dreams.

**G** **D**  
And spit your words, so desperately.

**Em** **C**  
I'll wash my hands, of this tragic mess.

**G** **D** **Am** **C** **D**  
But truth can't cure the blind, if they don't care to see.  
yeah... **Em, C, G, D**

**Em** **C**  
Did you even notice look in my eyes,  
**G** **D**  
When I spoke of him for the very first time.

**Em** **C**  
And do you remember when you were my age?  
**G** **D**  
Do you remember at all?

**Em** **C**  
Don't follow me, into my dreams  
**G** **D**  
And spit your words so viciously,  
**Em** **C**  
I'll wash my hands, of this tragic mess.

**G** **D** **Am** **C**  
Truth can't cure the blind,  
**G** **D** **Am** **C**  
I wish you'd change your mind...  
**D** **G**  
But you don't care to see.
