Back to One that got away

In another life
You would be my girl
We keep for our promises
Be us against the world

In other life
I would make you stay
So I don t have to say
You were the one that got away

And in another life
(Someone like you)
You would be my girl
We keep for our promises
(Someone like you)
Be us against the world

And in other life
(Someone like you)
I would make you stay
So I don t have to say
(Someone like you)
You were the one that got away.
