CHORDS:

**C/G G D/A**  
e|---0---3---0---|  
B|---1---0---3---|  
G|---0---0---0---|  
D|---2---0---4---| Note: The third chord is not actually a **D/A** but is the  
closest i can find.  
A|---3---2---5---|  
E|---3---3---5---|

VERSE 1:

**C/G G D/A**  
The first thing that you told me was so sweet, and you  
**C/G G D/A**  
You taught me how to love and grow.  
**C/G G D/A**  
And your smile girl, is my remedy, and your body just don t stop.  
**C/G G D/A**  
You get closer, it s the enemy for now.

CHORUS:

**C/G G D/A**  
And you give me butterflies,  
**C/G**  
when i m falling into you.  
**G D/A**  
Give me butterflies,  
**C/G G D/A**  
when i m falling into you.

VERSE 2:

**C/G G D/A**  
And the second that i layed my eyes on you, I knew  
**C/G G D/A**  
that you would always make me feel this way.  
**C/G G**  
And it s not just a smile, it s not just emotion.  
**D/A C/G**  
The way that you kill me, and i drink a potion from cupid.  
**G D/A**  
I know i m not stupid, but i act it around you.

REPEAT CHORUS

BRIDGE:

**C/G**

**G**

And i m not afraid of the moves I make,

**C/G**

**D/A**

it s the chance i take with you.

REPEAT CHORUS

There you have it. One of my new favorite songs to play on the guitar. It s  
simple

yet beautiful. Alex Lambert is a star in the making.
